

## Charge

- 
- 1. to examine the suitability of a bicycle sharing program for Brookline
- 2. to determine the mechanism by which Brookline could join in the regional bicycle sharing program; and
- 3. to prepare for review by Town Meeting a report with recommendations on the desirability of establishing a program and possible legislation as may be necessary to participate in the regional bicycle sharing program;
- 4. to set a goal of completing this work by the Spring of 2011.
